

January 20, 1981

Dear Miss Gardner,

As an historian and distinguished member of the Curtis family, you will, I'm sure, be interested in having a copy of Verna Varcoe's article, "Curtis Valley Sunday school Review of 1980" (THE WAYNE INDEPENDENT, Saturday, January 17, 1981, p. 3).

I have also enclosed a copy of the article for Gertrude. I wonder if you will be willing to serve as mailman? Perhaps Gerturde will be at 80 Cemetery Street when this letter arrives.

All is very well with me, and I hope that all is very well with you.

Sincerely,

*Robert*
